# NOAH M. DEAN

Holt, MI 48842 • (480) 381-8555 • Noahdean224@yahoo.com
Security Clearance: Secret • LinkedIn: linkedin.com/in/noah-dean1218 • GitHub: github.com/Otternonsense1218

## PROFESSIONAL SUMMARY

Software Engineering student (B.S. in progress, WGU) with active Secret clearance and a proven record across IT operations, military signal support, and emergency services. Brings hands-on experience in JavaScript/TypeScript development, network infrastructure, and end-user support — combined with demonstrated leadership under high-pressure conditions. Well-suited for software development and federal IT contract roles requiring technical depth, operational discipline, and security awareness.

## TECHNICAL SKILLS

- JavaScript / TypeScript
- React & Frontend Frameworks
- Git / GitHub Version Control
- IT Help Desk & End-User Support
- Network Configuration & Deployment
- Cat6 Cabling & Infrastructure
- Microsoft Office Suite
- Systems Troubleshooting
- Cybersecurity Best Practices
- Technical Documentation
- Secure Data Handling
- Cross-functional Collaboration

## EDUCATION

**B.S. Software Engineering (In Progress)** | Western Governors University — Salt Lake City, UT

*Jan 2024 – Present*

*Relevant coursework: Data Structures & Algorithms, Software Architecture, Web Development, Version Control, IT Security Fundamentals*

**A.A.S. Paramedic** | Patrick Henry Community College — Martinsville, VA

*Apr 2021*

## PROFESSIONAL EXPERIENCE

**Help Desk Support** | Eaton Rapids Medical Center — Eaton Rapids, MI

*Dec 2025 – Present*

- Diagnosed and resolved hardware, software, network, and peripheral issues for clinical end-users in a fast-paced healthcare environment.
- Collaborated with system administrators to install, configure, and deploy updated networking equipment and infrastructure.
- Installed and terminated Cat6e cabling to extend network connectivity for new equipment additions.
- Coordinated with third-party vendors to migrate legacy equipment to current standards, minimizing downtime.
- Maintained, imaged, and deployed laptops, workstations, phones, printers, and peripherals across multiple departments.

**Signal Operations Support Specialist (25U)** | Michigan Army National Guard — Various Locations

*Jul 2025 – Present*

- Deployed, configured, and managed networking and communications equipment in support of unit operational readiness.
- Provided Tier 1/2 support: account troubleshooting, printer configuration, and Microsoft Office assistance.
- Configured and deployed tactical radio communication systems in compliance with Army signal standards.
- Maintained documentation of equipment status and configuration changes to support continuity of operations.

**Director of Information Technology** | Compress and Shock Foundation — Roanoke, VA

*May 2018 – Nov 2023*

- Architected and maintained a public-facing website for event registration and student tracking, improving operational efficiency.
- Designed and implemented cybersecurity policies and data-handling protocols to protect sensitive organizational data.
- Managed social media platforms and produced digital marketing materials, growing community outreach and engagement.
- Served as sole IT decision-maker for a nonprofit, balancing infrastructure needs against budget constraints.

**Health Care Specialist (68W Combat Medic)** | Virginia Army National Guard — Various Locations *Sep 2015 – Jul 2025*

- Managed and secured sensitive medical and operational data for 160+ personnel; enforced data integrity and confidentiality protocols.
- Deployed in support of Operation Enduring Freedom – Horn of Africa (2021–2022); managed critical communications and data security processes in austere environments.
- Developed and led training programs on emergency response, tactical operations, and medical procedures.
- Provided logistical oversight and inventory management across multiple operational cycles, ensuring unit readiness.
- Conducted incident response planning and execution under high-pressure, time-critical conditions.

**Paramedic** | University of Michigan Health Sparrow Eaton / Eaton Area EMS — Charlotte, MI

*Jul 2024 – Present*

- Serve as Advanced Life Support provider; manage complex patient data, digital care records, and compliance documentation.
- Maintained accurate electronic patient care reports in compliance with QA/QI and regulatory standards.
- Provided oversight and hands-on training to EMS field interns, reinforcing clinical and operational best practices.

**Training Liaison / Paramedic** | Fluvanna County Department of Emergency Services — Fluvanna, VA

*Jun 2023 – Jul 2024*

- Served as sole ALS provider for a county of 27,000+ residents while simultaneously managing training and compliance programs.
- Designed and implemented a streamlined EMS training curriculum, improving certification rates and regulatory compliance.
- Managed credentialing, documentation, and regulatory compliance for departmental personnel.
- Led day-to-day operations for a shift of 4–8 personnel and developed community outreach initiatives.

## CERTIFICATIONS & CLEARANCES

- Active U.S. Government Secret Security Clearance
- National Registry of Emergency Medical Technicians (NREMT) – Paramedic
- AHA BLS-CPR Certification
- Advanced Cardiac Life Support (ACLS)
- Qualified U.S. Army 68W Combat Medic — Current Rank: Specialist
- Operation Enduring Freedom – Horn of Africa (2021–2022)

## ADDITIONAL INFORMATION

Experienced in translating technical concepts for non-technical stakeholders. Proven ability to operate effectively in high-security, high-stakes environments. Adept at rapid adaptation to evolving technology and mission requirements. References available upon request.
